by JoAnn Derson

- When patching up cracks in plaster walls, if the crack is large or it's a small hole, stuff it with wadded-up paper or steel wool in order to fill the crack. Apply the plaster over the top.
- Got bug bites? Try these for some relief from the itching of insect bites: apple cider vinegar; a paste of baking soda and water, allowed to dry on the bite; a similar paste of meat tenderizer and water; or antiperspirant.
- To avoid a dirty-smelling hamper, place a single sheet of fabric softener in the bottom of your laundry closet or in the hamper itself.

Many heart-touching stories were circulated after the terrorist attacks on the World Trade Center on September 11, 2001. None seems more spiritually significant than that of ironworker Frank Silecchia. As he was helping to recover bodies, Frank noticed two steel beams in the shape of a cross standing upright in the middle of all the debris.

Appointing himself as the curator of that striking symbol of God's love, he often took heartbroken visitors to see it. Many of them were comforted by the silent testimony to the divine Presence in the worst of tragedies. One day when journalist Barbara Walters came with tearful friends who had lost a son in the catastrophe, Frank simply led them to the cross.

The answer to the world's terrible pain and evil is not a philosophical argument or a theological treatise. The all-sufficient answer is Calvary's cross, where in fathomless grace Jesus, the incarnate God, took upon Himself the burden of our sins and bore them "in His own body on the tree, that we . . . might live for righteousness" (1 Peter 2:24).

If you have not been led to Calvary's cross, let me take you there. He died for you and then rose again. Believe in Him and you will be saved (1 Cor. 1:21).

They are nailed to the cross, they are nailed to the cross! O how much He was willing to bear.

With what anguish and loss, Jesus went to the cross, But He carried my sins with Him there. — Breck

The pathway to heaven begins at the foot of the cross.

## Outdoor Opportunities

By COL (Ret.) Grey D. Berrier II

Coming September 21 – First Baptist Church's  
20th Annual Sportsmen's Dinner!

I know. You know. We all know our current PA hunting licenses are

good from July 1, 2024 until June 30, 2025. While some individuals were out using their new licenses in July and August to pursue coyotes or groundhogs, things really gearing start up for hunters with the arrival of September and the all too rapid progression of our many, various PA hunting seasons throughout Autumn. Starting October 5 with the arrival of our statewide deer archery season and then almost every Saturday after that, through the end of November, it seems like different species become eligible quarry to consider pursuing. I like to think of our PA hunting seasons as a marathon and not a sprint, which brings the big decisions of what to do and where to go on any given day. To mentally prepare for our upcoming PA hunting seasons that make Fall, my favorite time of the year by far, go by way too quickly, I like to "fuel up" by gathering with other like-minded outdoorsmen, women, and children at First Baptist Church's Annual Sportsmen's Dinner.

Saturday, September 21, 2024, will be their 20th annual rendition and you are cordially invited to First Baptist Church – New Castle (984 W. Maitland Lane, New Castle, PA 16105) to be part of this year's Annual Sportsmen's Dinner. They want to invite you, your family members, your friends, and your co-workers to all come out to be part of this year's outdoor-themed get-together. If you've never attended one of First Baptist Church's Annual Sportsmen's Dinners, please allow me to share the carefully planned itinerary. Doors open at 5 PM to ticket-holders (some individuals start lining-up by 4:30 PM). After signing-in to get their registration packets, which includes a meal ticket and a door prize ticket, attendees circulate amongst the many informative displays in the lobby. At 5:30 PM, everyone is assembled in the sanctuary for welcoming remarks and to say grace for the upcoming meal. Then everyone moves in an orderly fashion downstairs, where 50 or more volunteers efficiently serve the over 400 attendees a delicious, free meal in under an hour. Around 6:45 PM or so, all attendees get to choose from amongst 10, or possibly more, informational 30-minute seminars. Each presenter conducts two back-to-back sessions, so you can select which two topics you want to learn more about to enhance your time outdoors this Fall. Everyone reassembles in the sanctuary at 8 PM for the keynote speaker, before

the evening concludes with very generous, abundant outdoor-oriented door prizes, including several just for the youths present.

If you would like to think about in advance which two informative seminars you would like to attend, allow me to share the subjects offered and this year's presenters: (1) Antler Scoring with Larry Baker; (2) Archery Stand Hunting presented by Jerry Bush; (3) Bow Care with Jon Creed; (4) Beginning Hunting – Basics presented by Ted Montgomery; (5) Handguns with Mike Lewis; (6) Muzzleloading Care presented by Vickie Shaffer; (7) Turkey Hunting with Kyle Allen; (8) Turtles presented by Wayne Anderson; and "Enjoy Each Part of the Hunt" with Grey Berrier. (I'm going to cover the planning, preparation, and execution of a hunt, covering everything before, during, and after the harvest in my seminar sessions.) The FBCNC Sportsmen's Dinner Committee is still working on procuring additional seminar speakers and might possibly have presenters addressing reloading, bear hunting, and PA elk hunting. This year's Main Speaker will be Donovan Karki, whose enlightening topic will be "The Rocks Cry Out".

Now, if you are wondering how to go about procuring one of the limited 400 free tickets to attend First Baptist Church's 20th Annual Sportsmen's Dinner, you have four potential options. (1) Call the church office at (724) 658-2507 sometime Monday through Friday between 9 AM and 4 PM. (Sorry, no voice mail registrations will be accepted.); (2) Register online at the Church's website: [www.fbcnc.org](http://www.fbcnc.org); (3) Mail or drop off your registration form to the person from First Baptist Church who invited you. Please do not procrastinate, the deadline for registrations is Tuesday, September 17, 2024, and free meal tickets and door prize tickets will be distributed to the first 400 attending. If your schedule on September 21 does not permit you to come out for the dinner or if you do not receive a ticket after the 400 allocated are given away, you are still invited to come out around 6:40 PM to sit in on the free seminars and listen to the Main Speaker.

First Baptist Church's 20th Annual Sportsmen's Dinner is the largest outdoor-oriented, free event of its kind each year in our area and attracts numerous attendees from outside Lawrence County and even PA. I hope you attend! I look forward to seeing you there! **God Bless, Be Safe, and Great Outdoors!**

## Strange But True

by Lucie Winborne

• The ringing of church bells at weddings can be traced to the Celtic heritage of Scotland and Ireland, when they were used to ward off evil spirits and grant wishes to the newlyweds.  
• In 1965, Johnny Cash's younger brother, Tommy Cash, released a song titled "I Didn't Walk the Line."

### Now Here's A Tip

by JoAnn Derson

• To fix a hole in drywall that requires a healthy helping of joint compound, you can cut a piece of screen slightly bigger than the hole and tack it to the inside of the drywall. You also can wad up a piece of aluminum foil and shove it in the hole, pressing it in a bit to create a recess for the compound. The foil will keep the compound at the site of the hole, allowing it to set up instead of fall down.

**Fight Back Against Fleas**

**DEAR PAW'S CORNER:** My apartment has been infested with fleas all summer! I'm so frustrated. My two cats are suffering from hot spots and patchy fur because of the flea bites, and I've constantly got bites all over my legs. I don't want to give my cats flea medicine because I heard it is dangerous to their health. What can I do to get rid of these fleas? - Cara J. in Macon, Georgia

**DEAR CARA:** You're going to have to plan an all-out assault on the flea infestation, and do it as soon as possible.

Talk to your veterinarian about the health risks and benefits of various flea and tick treatments. Ticks can give your cats heartworm and tapeworm. Your cats' health is at greater risk right now from not doing anything than they would be from an effective treatment.

house with a complete cleaning and treatment. Take down the curtains and wash and dry them. Wash all your bedding and clothes. Dust from ceiling to floor. Vacuum the carpets thoroughly. Wash all mats and put out in the sun to dry. Clean every corner of the apartment. Clean fabric furniture with a steam cleaner. Flip the sofa and vacuum up all the dust bunnies and dirt.

Finally, with the cats sequestered in a safe room, treat the carpet to kill remaining fleas and their eggs. You can use a direct spray or an insecticide that is sprinkled into the carpet and vacuumed up.

This all-out assault will nearly wipe out the fleas in your home. But they can (and will) come back. To keep them on the retreat, vacuum twice a week, wash your cats' bedding weekly, and make sure the cats get their flea/tick/heartworm medication on schedule.
